CHARITABLE FOUNDATION

The Management of Hindustan Group of Institutions handing over Covid Relief Fund to the Hon'ble Tamil Nadu CM, M.K. Stalin (Mr. Ashok Verghese, Director; Dr. Mrs. Elizabeth Verghese, Chairperson; and Dr. Anand Jacob Verghese, Director & CEO, Hindustan Group of Institutions with Hon'ble CM, M.K. Stalin)

REPORT OF COVID RELIEF ACTIVITIES 2020-2021

STAY HOME

STAY SAFE

The staff and management of Hindustan Group of Institutions (HGI) contributed Rs. 50 Lakhs towards the “Tamil Nadu CM Relief Fund”, through Dr. K. C. G. Verghese Charitable Foundation. On behalf of the Foundation, the cheque was handed over to the Hon'ble Tamil Nadu CM, M.K. Stalin by Dr. Mrs. Elizabeth Verghese, Chairperson, HGI; Dr. Anand Jacob Verghese, Director & CEO, HGI; and Mr. Ashok Verghese, Director, Hindustan Institute of Technology and Science.

During this pandemic, HGI jointly with Dr. K. C. G. Verghese Charitable Foundation contributed Rs 1.3 crores to the upliftment of the society by involving in relief activities. Hindustan Covid relief efforts reached out to over 5000 families by distributing essential groceries and medical kits. The camps were set-up at various villages including Illalur, Kayar, Vembedu, Idayankuppam, Thirupporur, Padur, Kelambakkam, Pudupakkam, Neelangarai and Injambakkam, Chennai, and all Chengalpattu District.

Hindustan Institute of Technology & Science; research partner Trier University, Germany;

Rotary Clubs in Trier; and other associations procured Rs. 50 Lakhs worth of medical kits including Oxygen Concentrators. Medical kits were distributed to Government Hospitals (Chengalpattu and Chennai) and Public Health Centers in the adopted villages of HITS. Face masks (FFp2) were also distributed in Kayar, Illalur, Vembedu and Padur villages. Additionally, in partnership with Rotary and Y's Men Club of HITS, relief materials were distributed to the needy people in and around Thirupprour, Padappai and other nearby villages.

Mr. John Louis, IAS, District Collector Chengalpattu, Inaugurating the Relief Camp by distributing the Relief kit to the Padur Village People

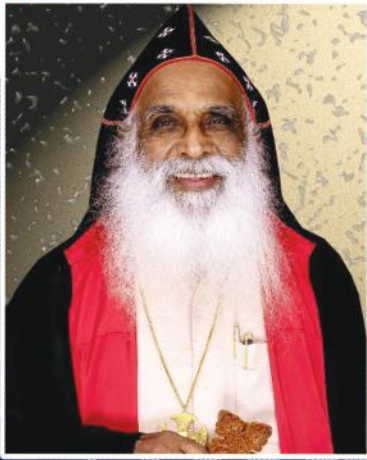

Scholarships for students:

HITS provides more than Rs 5 crore worth scholarships every year for students who excel in their academics and sports. Last year, HITS introduced two exclusive schemes (Covid Frontline Warriors Scholarship & Covid Martyrs Scholarship) in honour of the sacrifices made by frontline workers during this COVID crisis and many students availed these scholarship schemes and joined Hindustan Group of Institutions.

Virtual Choir

HEAL THE WORLD

Most Rt. Rev. Dr. Joseph Mar Thoma Metropolitan,
The Metropolitan of the Malankara Mar Thoma Syrian Church, Thiruvalla

Hindustan Virtual Choir launched the rendition of the most popular Michael Jackson's score "Heal the World" to mark the commemoration of the 80th birthday of its Founder-Chairman, Late Dr. KCG Verghese. The Most Rt. Rev. Dr. Joseph Mar Thoma Metropolitan, The 21st Metropolitan of the Malankara Mar Thoma Syrian Church,

Thiruvalla, launched the Hindustan Virtual Choir after the Worship on 21 June 2020. The choir comprised of Hindustan Group of Institutions' students hailing from colleges and schools and Alumni members from various parts of the world.

Songs when reach one's soul, are believed to have therapeutic effects and foster goodwill. "Heal the World" instils hope to mankind with love, peace and equality as its central themes. It highlights the adverse effects of war and rage caused by it and how best the world could be if we stay away from it; and embrace peace, friendship and equality. Though Heal the World concerns with peace being spread across world for a better future, its message could positively be related to our present pandemic state caused by Covid-19; wherein we should share love and compassion to our fellow beings and stay united to heal the world from the ill effects of Coronavirus.

Every cloud has a Silver lining, and at the end of every tunnel, there's light. Stay Intact & Positive. . .

SEVILI

With a unified mission to protect the frontline medical workers, the Centre for Automation and Robotics, HITS created “Sevili”, an exclusive service robot programmed to monitor covid infected patients. Sevili Robots are currently deployed at Rajiv Gandhi Govt. Hospital, Chennai and Chengalpattu. Sevili is capable of navigating to the isolation ward to deliver food, medication and other necessities. It facilitates remote communication between medical frontline workers and quarantined patient through Video/Audio.

SUZHALI

The Centre for Automation and Robotics (ANRO), HITS developed a Powered Air Purifying Respirator (PAPR) called, “Suzhali” that provides an affordable protection from harmful viral and bacterial infections for the medical frontline professionals; especially when they work inside the Intensive Care Units for long hours.

DRISHYAM

Drishyam 4.0 is a project, using drones, conceived by HITS and Orient Flights in association with the Aeronautical Society of India to support the Police Department in Crowd Monitoring, Surveillance and Control, during the COVID-19 lockdown period

Distribution of Medical Kits to V Smart Health Ventures Pvt Ltd, Chennai

Hindustan Group of Institutions contributed 5 Oxygen Concentrators, along with Face Masks and Medical Kits to Chennai based hospital, “V Smart Health Ventures Pvt Ltd”, to support their efforts in combating the Covid-19 pandemic. The medical resources were handed over to the head of the hospital – leading Ophthalmologist, Dr. Susan Marthandan; and are now being used to treat and save the lives of Covid affected patients. Owing to the state-wide lockdown and the extensive vaccination drives carried out by the Tamil Nadu Government, the recent weeks have seen a rapid fall in the number of Covid cases in Tamil Nadu. The Chennai Corporation is also conducting numerous vaccination drives to administer as many vaccination doses as possible to locally curb the spread of the Covid-19 virus in Chennai. To add to these efforts made by the Government, “V Smart Health Ventures Pvt Ltd” set up an exclusive Covid Patient Care Centre to treat Covid affected individuals.
